**Bengaluru:** ISRO and its commercial wing Antrix today said they are willing to outsource manufacturing of Polar Satellite Launch Vehicle (PSLV) and the Small Satellite Launch Vehicle (SSLV) so that the space agency could focus on the proposed human space programme.

The Indian Space Research Organisation held discussions a week ago with a consortium of industries regarding PSLV industrialisation with the objective of easing ISRO to focus on human space programme and research and development activities."Definitely, in my opinion, in the ISRO activity, the industry is going to play a major role. If only the industry is taking the load, ISRO can work out on human space programme and research and development activities," ISRO chairman K. Sivan said. He said the industry should help in manufacturing PSLV as well as SSLV, adding ISRO had already worked out a model.

With this model in a year, the PSLV was supposed to be produced by the industry. "That is our ambition and target," Sivan said. He was addressing a press conference here to announce the Bengaluru Space Expo (BSX), a three-day event starting from September 6 at the Bengaluru International Exhibition Centre (BIEC).BSX-2018 will have 100 exhibitors, 56 speakers and 600 official delegates participating. There will be a separate pavilion for human space programme or Gaganyaan, which was announced by Prime Minister Narendra Modi in his independence day address this year.Modi had said an Indian astronaut would be sent to space by 2022. India will be the fourth country after the USA, Russia and China to send humans to space. Sivan said informal discussions had been initiated with the Indian Air Force on the selection of the crew. Once selected, it would take two-three years to train them.

He also said ISRO would need to take the help of a foreign country for advanced training of the crew.

## Over 59,000 people housed in 305 relief camps: Kerala CM Pinarayi Vijayan

**Trivandrum:** Kerala Chief Minister Pinarayi Vijayan on Thursday said that they have housed as many as 59,296 flood-hit victims in 305 camps, set up by the authorities across the state.

Addressing the Kerala legislative assembly, Vijayan informed that Rs 738 crore has been deposited in the chief minister's distress relief fund till August 28 for the rehabilitation of flood-affected people and reconstruction of damaged infrastructure. The Chief Minister also stressed upon the need to discuss the future course of action pertaining to rehabilitation in the areas which are prone to landslides and floods. "We should discuss and decide whether rehabilitation should be done in the areas which are prone to landslide and floods. Rs 738 crore has been received in the Chief Minister's distress relief fund till August 28," he said. He further informed that first stage of rescue has been completed, while rehabilitation work is underway.

Talking about the devastating effects of nature's fury, Vijayan said, "483 people have lost their lives due to heavy downpour in the state from August 9 to August 15. 352.2 mm rainfall, which was three times than the normal rains were recorded in the state." The Chief Minister also added that due to overflowing of dams and increased number of landslides and mudslides, lakhs of houses got washed away rendering thousands homeless. "Many government offices and documents were damaged in many places and the whole landscape has changed. Kerala was thrown into the worst flood in the century," Vijayan said.

## Gujarat High Court notice to state government on fishermen's plea against suspension of contract

**Ahmedabad:** The Gujarat High Court has issued a notice to the state government on a petition of a group of fishermen seeking that an order suspending their fishing contract license be revoked. The fishermen claimed that their contract for fishing in a lake in Gujarat's Sabarkantha district was suspended earlier this year after some upper caste locals complained that the activity hurt their religious sentiments. A division bench of Justices Anant Dave and Biren Vaishnav issued notices on Wednesday to the government and the commissioner of fisheries on the petition of 'Asha Matsya Vikas Khedut Mangalam Mandal', a fishermen's group. The petition, filed by the group's lawyer advocate S H Iyer, challenged the suspension of their fishing contract in the Pratap Sagar Lake near Idar town in Sabarkantha. A person, Hirala Joshi, had earlier filed a Public Interest Litigation (PIL) challenging the tender floated for awarding the contract. The fishermen said in their plea that they belong to a "backward class", and that the contract was granted to them in October 2017, "subject to the outcome of that PIL".
